

Appl. No. 10/667,260

Amndt. dated July 26, 2004

Reply to Office action of March 25, 2004

Amendments to the Drawings:

The attached drawing sheet includes a new Fig. 17 which shows a double chamber with parallel regions wherein a coupling element and a transmission element are configured in separate ones of the parallel regions.

Attachment: New drawing sheet (Fig. 17)
